

Invitation to Parents, Guardians, and Siblings of Adults with Developmental Disabilities

Please join us to discuss a unique housing opportunity that provides family members with a healthy, safe, professionally managed home, increased independence and self esteem and the pride and stability of home ownership.

Are you worried about your child's future?

What will happen when I am gone?

Will he have a safe and fulfilled life?

Where will he live?

Will she have friends?

A group of parents and siblings of adults with developmental disabilities is working with Specialized Housing, Inc. to create a supportive and nurturing home for their family members in South Portland, Maine. Specialized Housing, Inc, an organization with 25 years of experience in providing staff support and management to similar groups in Massachusetts, will provide their expertise to 20 E Street. 5 units remain in this 9 unit home. Opening in May of 2010.

Don't miss this opportunity !
